

WWW BEAVER RIVER WATERSHED INITIATIVE
what water wants

Please be advised of the Annual General Meeting of the Beaver River Watershed Initiative (BRWI) which will be held November 25th at 10am - Noon at the L.E. Shore Library, 173 Bruce St. S, Thornbury.

We welcome BRWI members and non members to attend our AGM to learn about the current BRWI activities and elect our management team members. Your attendance will help support the Beaver River Watershed Initiative and our mission:

"To work with the community, agencies and organizations that share our vision to develop, promote and facilitate projects which will conserve, protect and enhance the ecological and social health of the Beaver River Watershed."

Brad Mulligan, Project Coordinator BRWI, will present a review of BRWI projects, both current and future.

Stacie Howe, owner operator of the Kimberley General Store, and champion of the Beaver Valley Destination Stewardship (BVDS) approach, will present the concept of this initiative which is "all encompassing and broad: everyone in the community is a steward of the valley, protecting the very qualities that make us a unique destination;".

Also presenting (remotely), Jonathon Tourtellot, a journalist and Fellow with National Geographic. Jonathon runs the nonprofit Destination Stewardship Center, successor to National Geographic's Center for Sustainable Destinations.

<https://explorer-directory.nationalgeographic.org/jonathan-bernon-tourtellot>

The management team of the BRWI is looking forward to seeing you on November 25th.

Around the Town with Robert Burcher

Too good to be through!

The newest shop in town is at the Dump. Tired of watching perfectly fine things going into the dump, the crew there have created an Emporium of rescued objects.

All of the profits from sales go to the Town's Grants and Donations Fund.

Thornbury/Beaver Valley Lions Club and the Thornbury Clarksburg Rotary Club Celebrate Community

On Oct. 11th from 10:00am - 3:00pm at Errinrung LTC Residence, Thornbury, volunteers from both groups hosted a BBQ to thank all the staff at Errinrung Residence for outstanding care and services to our loved senior families and friends. The BBQ was cooked and served by the joint volunteer team, on a very rainy day.

Volunteers: Lions Bud Powney, Marlyn Haigh, Audie Dewattville, Tom Kennedy and Rotarians Diane Anderson, Diana and John Bailey.

2024 Grey County Budget Meetings

Grey County has set the schedule for the 2024 budget discussions and budget approval. Meetings will take place in the Council Chamber located at the Grey County Administration Building, 595 9th Avenue East in Owen Sound, and will be streamed publicly to the Grey County YouTube channel and website at www.grey.ca/council/live-stream. Meetings will begin at 10:00 a.m. unless otherwise stated on the public Council Calendar.

On **Friday, December 8, 2023**, a report will be presented to provide a corporate budget overview and background information on the 2023 budget.

On **Friday, December 15, 2023**, a draft 2024 corporate budget will be presented for consideration.

If the draft 2024 corporate budget is recommended for approval at the special Committee of the Whole meeting on December 15, 2023, a budget by-law will be presented to County Council for adoption on Thursday, January 11, 2024.

For further information on the tentative 2024 budget meeting schedule, please visit the meeting calendar www.grey.ca/council/calendar.

Ontario Continues to Support Municipalities through the Ontario Municipal Partnership Fund

TORONTO — Ontario is continuing to support northern, rural and small municipalities through the Ontario Municipal Partnership Fund (OMPF), which will once again provide funding of \$500 million for 2024. The funding, which is unconditional, will be distributed to 390 municipalities across the province to help local priorities and specific community needs.

“Maintaining a close relationship with our municipal partners is critical as we build a strong Ontario together,” said Peter Bethlenfalvy, Minister of Finance. “Our government recognizes the unique challenges northern, rural and small communities face. This is why the Ontario Municipal Partnership Fund, along with other programs, are critical in building stronger and resilient communities across the province.”

The OMPF is one part of Ontario’s overall support to municipalities, which continues to increase. The government has doubled the Ontario Community Infrastructure Fund (OCIF) and, since 2021, has introduced new supports such as the Northern Ontario Resource Development Support (NORDS) and the Building Faster Fund, a \$1.2 billion program that supports community growth throughout the province, including in small, rural and northern communities. Ontario also recently announced that it will restore provincial annual base funding for public health units in 2024.

“As municipalities begin annual budget planning this fall, ongoing economic uncertainty threatens their ability to make informed decisions for the long-term,” said AMO President Colin Best. “Stable and predictable funding like the Ontario Municipal Partnership Fund remains critical to municipal governments who remain key partners in helping to build a strong Ontario.”

Announcing municipal allocations in the fall provides municipalities with predictability ahead of their annual budget planning cycle.

Quick Facts

- The OMPF is providing \$500 million to 390 of Ontario’s 444 municipalities in 2024. The funding is unconditional and can be used to support the local priorities and specific needs of each community.
- Ontario increased its annual investment in the Ontario Community Infrastructure Fund (OCIF) by \$1 billion over five years, starting in 2022. OCIF provides investment to help 425 small, rural and northern communities renew and rehabilitate roads, bridges, water and wastewater infrastructure.
- The Northern Ontario Resource Development Support (NORDS) program is providing up to \$15 million annually over five years to northern municipalities to support infrastructure projects.
- Starting January 1, 2024, the Province will restore annual base funding (\$47 million) for public health units to the level previously provided under the 2020 cost-share ratio.
- The Building Faster Fund will provide up to \$1.2 billion over three years for municipalities that meet or exceed the housing targets they have pledged to achieve by 2031.

Notice of Public Meeting

A Public Meeting to consider these matters has been scheduled for Tuesday, October 31, 2023 at 9:30 am.

Location: Council Chambers, Town Hall
32 Mill Street, Thornbury, ON N0H 2P0
OR Virtual via Microsoft Teams

Application for Zoning By-law Amendment and Plan of Subdivision

Property Location: Plan 16M8 Part of Block 1

What is being proposed?

The proposal involves the development of a Draft Plan of Subdivision to create 58 residential lots, 2 parks, and 2 servicing blocks. The proposed zoning by-law amendment would rezone the subject property from Development 'D' zone to Residential One 'R1-3-XX', Residential Two 'R2-XX', and Open Space 'OS' to permit 45 single detached dwellings and 13 rowhouses. The dwellings are proposed to connect to municipal water and wastewater services. The proposal includes the extension of West Ridge Drive, the construction of a new road, and multiple links to the Georgian Trail. The subject property is currently vacant.

Application for Zoning By-law Amendment

Property Location: 107 Martin Grove (Plan 950 Lot 54)

What is being proposed?

The proposal is to create an exception in Zoning By-law 2018-65, as amended, to permit the use of the existing single detached dwelling as a Bed and Breakfast. The subject lands are currently zoned Residential One 'R1-1'. The existing dwelling contains 4 bedrooms, 3 of which will be used as guest rooms and the remaining one by the owner. This proposal is also subject to Site Plan Control. The effect of the application is to rezone the portion of the subject lands zoned Residential one 'R1-1' to Residential One 'R1-1-9' zone.

Notice of Public Meeting

Proposed Renaming of the Craigleith Depot

Date of this Notice: August 30, 2023

October 31, 2023 at 9:30 a.m.
Hybrid Format In-Person AND Virtual/Online
Town Hall, Council Chambers
32 Mill Street, Thornbury, ON N0H 2P0

What is being proposed?

At the July 10, 2023 Council meeting, Council received a formal request from The Blue Mountains Public Library to rename the Craigleith Depot to the “Craigleith Station”.

At the August 28, 2023 Council meeting, Council directed staff to schedule a Public Meeting on October 31, 2023 to receive comments regarding the potential renaming of the Craigleith Depot.

Staff will provide a follow up staff report to the November 27, 2023 Committee of the Whole meeting that will summarize the public comments received and provide recommendations for Council to consider at the December 11, 2023 Council meeting.

The details of the request are outlined in Staff Report FAF.23.129 which is available from the Town’s website at the following link:

<https://pub-bluemountains.escribemeetings.com/FileStream.ashx?DocumentId=18078>

When will a decision be made?

It is important to note that a decision on renaming the Craigleith Depot has NOT been made at this point and will NOT be made at this Public Meeting. After reviewing the comments from the public, Staff will bring its recommendations to a future Committee of the Whole Meeting.

When will a decision be made?

It is important to note that a decision on renaming the Craigleith Depot has NOT been made at this point and will NOT be made at this Public Meeting. After reviewing the comments from the public, Staff will bring its recommendations to a future Committee of the Whole Meeting.

How can I make my views known about this proposal?

Any person or agency may provide comments on this matter in writing or verbally at the Public Meeting. Comments at the Public Meeting assist the Town and Council in their decision-making process, so be sure to have your say!

How do I submit my comments?

Written Comments – You are encouraged to provide your comments or questions in writing using email or regular letter mail to the Town Clerk. Written comments received by **October 27, 2023** will be read by the Town Clerk at the Public Meeting for the benefit of everyone in attendance and will be included in the record of the Public Meeting.

Comments can be faxed to 519-599-7723, or emailed townclerk@thebluemountains.ca.

Any submitted comments become part of the **public record**, including names and addresses.

Verbal Comments – This Public Meeting is a hybrid meeting, allowing the public to attend the meeting in person or virtually. Those that wish to make verbal comments virtually are required to pre-register with the Town Clerk, no later than five business days in advance of the Public Meeting, by **October 25, 2023**.

Anyone wishing to provide their verbal comments in person at the Public Meeting, can attend the Town Hall, Council Chamber.

Want to be notified of a decision?

You must make a request in writing to the Town Clerk if you would like to be notified of a decision on this proposal to:
Corrina Giles, Town Clerk

Town Hall, 32 Mill Street, Thornbury, ON

Fax: 519-599-7723 townclerk@thebluemountains.ca

Questions? Want more information? Ask a Staff Member!

Shawn Everitt, Chief Administrative Officer 519-599-3131 ext.234 or cao@thebluemountains.ca

This information may be posted on the Town's website. and/or made available to the public upon request.

Notice of Public Information Centre

Lakewood Drive Reconstruction

Ontario Winding Back Changes to Official Plans

Paul Calandra, Minister of Municipal Affairs and Housing, released the following statement:

"Since becoming Minister of Municipal Affairs and Housing, I have made it a priority to review past decisions, including minister's zoning orders and official plans, to ensure that they support our goal of building at least 1.5 million homes in a manner that maintains and reinforces public trust.

In reviewing how decisions were made regarding official plans, it is now clear that they failed to meet this test. In response, as soon as I am able, I will be introducing legislation that would reverse the official plan decisions for Barrie, Belleville, Guelph, Hamilton, Ottawa and the City of Peterborough, the Regional Municipalities of Halton, Niagara, Peel, Waterloo and York, as well as Wellington County. This legislation would wind back provincial changes to official plans and official plan amendments, except in circumstances where construction has begun or where doing so would contravene existing provincial legislation and regulation. This includes winding back changes to urban boundaries.

To ensure that the reset plans match our shared ambitions to build more homes, especially now that municipalities have made their housing pledges, we will be asking impacted municipalities to submit changes and updates to those plans to ministry staff within 45 days of today, including information on projects that are already underway.

In recognition of the costs incurred by municipalities arising out of this decision, the province will work with impacted municipalities to assist with related planning and staffing costs."

The Town of The Blue Mountains has identified Lakewood Drive for reconstruction due to deficiencies with the water distribution and sewage collection systems. The subdivision was constructed in 1971, and is now due for replacement of the inground works. The road will be reconstructed and the ditches reshaped and cleared of trees.

The reconstruction project will include:

- Replacement of the sanitary collection system, mains, structures, and laterals to property line. The Town notes that some properties have seen adjustments that have changed the widths of some lots. If laterals are no longer within the frontage, the property owner will have to construct a new building drain to a new lateral location.
- Replacement of the water distribution system, mains, valve, and laterals. The sub-standard 75mm main will be replaced with a 150mm main which will allow hydrants to be installed providing an increased level of service to the residents.
- Reconstruction to match the Town's rural road cross-section, with some adaptations where ditches or drainage outlets are missing. Minor alterations of the existing drainage pattern may be incorporated into the work if endorsed by residents.
- The residents may elect to have the level of service increased with respect to drainage as outlined in the Stormwater Study. If these works go forward, the road and ditch design would be modified.

At the request of the residents of Lakewood Drive and the Shore Acres Property Owners Association (SAPOA), Tatham Engineering Limited has completed a Stormwater Study for the Lakewood Drive Reconstruction project area. The study has identified existing drainage deficiencies along Lakewood Drive and through the adjacent private properties, and has provided recommended solutions to address these deficiencies. These solutions will be reviewed and discussed during this Public Information Centre.

How Do I Get More Information?

A dedicated project page has been added to the Town's website at: www.thebluemountains.ca/LakewoodDriveReconstruction

Seasonal Closure Update for Municipal Golf Course & Tennis Courts

The Town of The Blue Mountains would like to advise the public of seasonal closures for the Municipal Golf Course, Pickleball Courts, Tennis Courts and Outdoor Public Washrooms.

The last day of golf at the Municipal Golf Course this year will be Sunday, October 29, 2023. Tee times can be made online or by calling the course at (519) 599-3131 ext. 350. The Pickleball Courts at the Municipal Recreation Complex will also close for the season on Sunday, October 29.

Tennis courts and all public outdoor washrooms will be shut down on Wednesday, November 1, 2023.

Community Services, (519) 599-3131 ext. 254

Fall Yard Waste Pickup

Curbside yard waste collection will begin on Monday, October 16 and run until Friday, November 17.

Yard waste will be collected on your regular curbside collection day and must be curbside by 7:00 a.m. Residents are limited to 10 compostable bags or containers per week.

Excess or oversized leaf and yard waste can be dropped off free-of-charge to the Town's Landfill and Recycling Depot anytime during regular operating hours.

Ontario Building More Electric Vehicle Charging Stations

PORT HOPE — The Ontario government is providing more funding to build thousands of new electric vehicle charging stations in small and medium-sized communities, making it easier and more convenient to charge up outside of large urban centres and giving drivers the confidence they need to transition to electric vehicles.

“Building more public charging stations is part of our government’s plan to be a global leader in the electric vehicle industry and provide more travel options for commuters,” said Prabmeet Sarkaria, Minister of Transportation. “The EV ChargeON program will help get more electric vehicles on the road by building the infrastructure needed to support them, while securing a better future for Ontario.”

Starting today, the province is accepting applications for the EV ChargeON program to build publicly accessible charging stations in communities with less than 170,000 people, as well as in any Indigenous community in Ontario. Eligible applicants include businesses, not-for-profit corporations, municipalities, Indigenous businesses, organizations and communities, and broader public

sector organizations like hospitals and universities.

“Our government is paving the way towards an electric future by building the infrastructure needed to support the electrification of transportation across Ontario,” said Todd Smith, Minister of Energy. “This program will deliver thousands of chargers across the province, which will be powered by our reliable, affordable and clean electricity grid, making EV travel for businesses and families easier than ever.”

The province’s \$91 million investment in the EV ChargeON program will also help build more EV chargers on government-owned land, including Ontario’s highway rest areas, carpool parking lots and tourist destinations such as Ontario Parks.

Ontario’s EV ChargeON program builds on the government’s broader efforts to make it easier to access electric vehicle chargers across the province. This includes supporting Ontario’s Ivy Charging Network, which represents the largest public highway fast charging network in the province, with charging stations installed at all 20 renovated ONroute stations along the province’s busiest highways, the 400 and 401.

Quick Facts

- The EV ChargeON program consists of two streams: the Community Sites Stream and the Government Sites Stream. Applications for the EV ChargeON Community Sites Stream, a competitive grant subsidy program, are now open for eligible private and public sector entities. Eligible applicants have until January 31, 2024, to submit their application.
- As of September 2023, there were more than 135,000 EVs registered in Ontario, including both battery-electric vehicles (BEV) and plug-in hybrid electric vehicles (PHEV). By 2030, over one million EVs are expected on Ontario’s roads.
- As of September 2023, there are over 2,900 public charging stations with 7,900 ports (or outlets) in Ontario. These include 6,600 Level 2 ports and 1,300 Level 3 fast-charging ports.
- Drivers can reduce their greenhouse gas emissions by 60-90% by driving battery-electric vehicles or plug-in hybrid electric vehicles and using Ontario’s low-carbon electricity to power their vehicles.
- This initiative supports the government’s Driving Prosperity: The Future of Ontario’s Automotive Sector plan to create a domestic EV battery ecosystem in the province and position Ontario as a North American automotive innovation hub.

TBM Repair Café
140 Bruce St. S. Thornbury

www.repaircafe.thebluemountains.ca

Saturday, October 28th
9am-Noon

Bring broken items for free repair
and enjoy a snack.

Go **Green** for a better **Blue!**

www.repaircafe.thebluemountains.ca

Want to help plant more trees in TBM? Volunteers are needed on October 28th - rain or shine - from 9 to 11 am at Nipissing Ridge Park (205 Blueski George Crescent) to help apply mulch and compost and plant some new trees and shrubs funded by a Tremendous Communities grant. Bring garden gloves and wear gardening type footwear if you would like to pitch in. You can register with the Town at: www.thebluemountains.ca/tremendous

Hosted by:  **Events for Life Centre Inc.**

Art Exhibit Reception: Duotone

The Gallery at L.E. Shore is pleased to soon launch "Duotone", featuring Kim Collins and Eric Tremblay!

At the intersection of illustration and design, this exhibition features a variety of works from the creative careers of a character illustrator and a graphic designer. Pieces range from full-colour spectrum landscapes, inspired still life, detailed character illustrations, abstracted fabric art and recycled

content sculptures - truly a mixed-media symbiosis.

Stop by The Gallery at L.E. Shore on Saturday, November 4 between 2-4pm for this show's open reception. Mingle with arts enthusiasts, ask the artists your pressing questions and enjoy the open bar and refreshments!

The Gallery at L.E. Shore, 519-599-3681 x142

Community Foundation Grey Bruce hosts conversation on Social Impact Investing for Community Building and Housing Solutions

All are welcome to join a conversation about how social finance tools can help communities invest locally to address the current housing crisis. Presented by Community Foundation Grey Bruce in partnership with Habitat for Humanity Grey Bruce and The Institute of Southern Georgian Bay, the event will be held on **November 2, 2023, at 7 pm at Harmony Centre Owen Sound**. Cost is FREE, but please register on the Community Foundation's website. cfgb.ca or call 519-371-7203.

Communities across Canada are grappling with the lack of affordable housing, while more people are facing the impacts of inflation and the rising costs of day-to-day survival. How can people invest in solutions to the housing crisis in their community? How can communities leverage financing to support the building of more affordable and sustainable housing? What role can the Community Foundation and the philanthropic community play in finding solutions?

Join Community Foundation Grey Bruce for an evening of conversation and learning with peers from three Guelph and Wellington region who are supporting new opportunities for investment in affordable housing and community wellbeing through community bonds, social enterprise, and technological advancement. This discussion will celebrate innovation in community investment and illustrate models of creative partnership. Philanthropic partners – foundations, municipalities, local investors, people who care about community – can learn ways to invest locally towards the goal of housing for all.

To register for this session visit www.communityfoundationgreybruce.com.

Please note: this event will also be live streamed on the Community Foundation Grey Bruce YouTube channel. There is no registration necessary for online attendance.

This exploration of social impact investing solutions for housing is offered in partnership with The Institute of Southern Georgian Bay as a lead up to their event called New Ways to Finance the Housing Affordability Gap: Ensuring the sustainability of our towns that will happen on Friday, November 17 at Meaford Hall.

Visit www.tisgb.com/2023-events/ for more information.
