Trooper Headlines Blue Mountain's Guitar Trail™ Festival.

The award-winning festival returns on September 9th with 16 musical stages. How many guitarists can you fit on the hiking trails at Blue Mountain? Canada's Only Guitar Trail™ Festival will show you on Saturday, September 9th. The festival is a walking trail and hiking trail with a musical twist. Guests follow the trail map as they journey through the Village and up the hiking trail in search of unique musical experiences. In total, 20 acts dot the trail. And at the end? A free live concert featuring Canada's rock legends, Trooper.

Join us for "A Good Time Not a Long Time"

At 6 p.m., Canadian rock legend Trooper hits the stage. With millions of records, a couple of dozen hits, a Juno Award for Band of the Year, and ongoing sold-out shows across Canada, Universal Music acknowledges them as "one of Canada's top five selling bands of all time" and the Vancouver Sun has called them "Canadian rock heroes of the first order ... the best-performing band in Canada".

"We're Here for a Good Time (Not a Long Time)", "Raise a Little Hell", "The Boys in the Bright White Sports car", "Two For the Show", "Pretty Lady", "Good Ol' General Hand Grenade", "Round, Round We Go", "Santa Maria", "Janine" - just a few of the Trooper hits that, according to writer Ryan Sparks, "have woven their way into the fabric of this country like no other bands have been able to do. Tune into any radio station from Vancouver to St John's and you're bound to encounter one of their dozens of hit radio anthems that are still featured in heavy rotation to this day."

It's no exaggeration to say that Trooper has become a Canadian legend. They continue to perform their huge collection of hits with the vitality and sense of humor that has served them well on their steady march through the hills and valleys of Canadian Rock and Roll.

An Amazing Assortment of Musicians!

In addition to the Trooper concert, visit several free stages from noon to 6pm throughout the Village and 1 p.m.-4 p.m. on the mountain trail. Featuring Jeremiah Hill, Miranda Journey, David Stone, Amber May, James Gray, Rivers Washburn, The Makwa Project, Genevieve Cyr, Sydney Riley, Shane Cloutier Band, Jess Bowman, Vanessa Lio, Aaron Garner, Rob Elder Trio, Kat Steeves, Jamie Ciotka, Mitch Beube, Matthew & Richard Jazz Duo and Jenny Howes Duo. Secure your Hiking Only or Explore all-day pass to access the mountain trail. Already a Blue Mountain Pass Holder? You're good to go with a 2023/24 5x7®, Ikon, or Seasonal Explore Pass. www.bluemountainvillage.ca

Canadian Stand Up Paddleboard Champion

Tim Oliver, of Thornbury-Clarksburg, recently competed in and won the 2023 Canadian Stand Up Paddleboard (SUP) Championships in Collingwood, on Aug 12 and 13. Tim won the technical (short, looped course with many turns) and long distance race events, completing the 22 km distance race (Thornbury harbour to Collingwood harbour) in 2 hours, beating the second place paddler by 7 minutes.

Tim's success in Collingwood now makes him eligible to compete for Canada in the International Canoe Federation SUP World Championships in Pattaya, Thailand November 15-19. He will continue training throughout the Fall in hopes of being able to make the trip to Thailand. Unfortunately in the sport of SUP in Canada, athletes receive very little financial or logistical support from their national organization. Tim will need financial assistance to help cover the costs associated with travelling to and competing in the World Championships. A "GoFundMe" campaign has been created to allow friends and supporters near and far and local businesses within Southern Georgian Bay to extend their support in whatever way they can and wish to do.

Those interested can go to "www.GoFundMe.com", and look for "Help Tim Oliver go to SUP World Championships" to donate."

As of September 6th \$1,425 raised of \$4,000 goal.

It's Harvest Time.

Large Farm Machines especially Combines are using TOBM roads. They are very large and require a lot a space to stop and turn.

Please share the road and be extra careful approaching and passing.

These vehicles must display a Slow Moving Vehicle Sign.

Community Safety and Well-Being Plan

Launches New Website cswbp.brucecounty.on.ca

The Ministry of Community Safety and Correctional Services has been working with multi-sectoral government partners and local community and policing partners to develop the Provincial Approach to Community Safety and Well-Being.

This work began in 2009 with a partnership between the Ministry and the Ontario Association of Chiefs of Police (OACP) – together, these two groups initiated the development of a provincial response to crime and victimization.

This collaboration has culminated in both resources and legislation intended to support all communities across Ontario to develop their own Community Safety and Well-Being Plans.

Municipalities MUST have a CSWBP – It's the Law. New legislative amendments outlined under part XI, Section 143 of the current Police Services Act (1990) mandates every municipal council to prepare and adopt a Community Safety and Well-Being Plan (CSWBP).

Municipalities have the discretion and flexibility to develop joint plans with surrounding municipalities or First Nation communities [s. 143(2)], although First Nation band councils are not required to engage in Community Safety and Well-Being Planning by legislation.

This new legislative requirement came into force on January 1, 2019 [s. 143(2)]. Additional legislative requirements related to the CSWBP process include:

- Establishing a multi-sector advisory committee [s. 145(3)].
- Conducting consultations with the advisory committee, members of the public, including youth, members of racialized groups and of First

- Nations, Métis and Inuit communities, as well as community organizations that represent these groups [s. 145(6)].
- Contents of the plan must include [s. 146]:
 - Identifying priority risk factors (e.g. including, but not limited to, systemic discrimination and other social factors that contribute to crime, victimization, addiction, drug overdose and suicide);
 - Identifying strategies to reduce the prioritized risk factors (e.g. new services, changing/coordinating existing services);
 - Setting measurable outcomes.
 - There are also requirements to publish a completed CSWBP – online, in print for review by anyone who requests it, and in any other manner or form determined by the municipality – within 30 days after adopting the plan [s. 149(2), O. Reg. 527/18].
 - Additional regulations prescribing requirements related to monitoring, evaluating, reporting on, and reviewing the CSWBP may be outlined at a later date.

What is Community Safety and Well-Being Planning (CSWBP) Bruce-Grey?

The goal of CSWBP is to achieve sustainable communities where everyone is safe, has a sense of belonging and opportunities to participate, and where individuals and families can meet their needs for education, healthcare, food, housing, income, and social and cultural expression.

The ongoing work of CSWBP is supported by an advisory committee representing over 70 partners from across Bruce and Grey who are working together to address crime prevention by investing in social development, prevention and risk intervention. This upstream preventative model focuses on protecting individuals against risk factors that may make them vulnerable to crime and victimization.

Expanding our collective understanding of crime and crime prevention is an important part of this work. This updated website will continue to provide resources that will help identify where we need to advocate, build capacity, or shift approaches to meet identified needs. A collaborative, preventative approach to crime prevention encourages everyone in our community to work together as we address issues that are important to the safety and well-being of the residents of Bruce and Grey.

How Can I Learn More?

One of the goals of CSWBP is ensuring a coordinated approach that leverages existing work and expertise, avoids duplication, and identifies opportunities for further action. As we work together to

ensure our communities meet the needs of safety and belonging for everyone who calls this region home, we always welcome ideas, suggestions, and feedback from members of the community.

If you have an issue you would like to see addressed as part of this planning framework, visit: cswbp.brucecounty.on.ca

ACC Presents: Sailing in the Drake Channel & Antarctica

On **Thursday, September 14 at 7pm**, be transported across the world! Mary Lou Gignac will recount the Challenges and Joys of sailing a 60-foot sailboat across the Drake Channel and along the Antarctic Peninsula.

Many things were more difficult as a solo "older woman". But then, so many things were better with the wisdom and perspective of being that woman. The beauty and experiences of this journey were beyond belief!
