JUNE 19, 2024

June is National Indigenous History Month in Canada, a time to recognize the rich history, heritage, resilience and diversity of First Nations, Inuit and Métis.

Why is June 21 National Indigenous Peoples Day?

June 21st is also the Summer Solstice, the longest day of the year, and holds spiritual and cultural significance for many Indigenous groups and communities. It signifies the arrival of warm weather, the beginning of summer, and symbolizes a new season of life.

Have Your Say On Road Safety

CSWBP Crime Prevention Action Table Launches Community Survey

The Community Safety and Well-Being Planning's Crime Prevention Action Table has launched a community wide road safety survey in partnership with Georgian College to hear from residents on their road safety concerns.

The survey is made up of 4 questions that aim to better understand priority roadways/intersections, top road safety concerns, and seasonal trends. Bruce and Grey County, Saugeen First Nation and Chippewas of Nawash Unceded First Nation residents are invited to complete the survey from June 17, 2024, until September 17, 2024, to have their voices heard when it comes to road safety.

The information collected will be analyzed by Georgian College Research Analyst students and will be used to assist in developing community initiatives moving forward through the Crime Prevention Action Table.

Take 5 minutes to have your voice heard by completing the survey and get entered into a draw to win a gift card to Tim Hortons!

To access the survey please visit <https://www.surveymonkey.com/r/CSWBPRoadSafetySurvey>

To learn more about the Crime Prevention Action Table please visit: Priority Areas of Action - Community Safety and Well-Being Planning (brucecounty.on.ca)

What is the Community Safety and Well-Being Plan (CSWBP) Grey-Bruce?

Community Safety and Well Being Planning helps organizations improve the things that keep us healthy, happy, and safe. Together, we use research to create solutions focused on education, health care, food, housing, income, crime, and belonging. It is important that we create a welcoming community where problems are solved before they happen and where different professionals and community members come together to help people now and in the future.

The ongoing work of CSWBP is supported by an advisory committee representing over 78 partners from across Bruce and Grey who are working together to address crime prevention by investing in social development, prevention, and risk interventions. This upstream preventative model focuses on creating protective factors that make individuals less vulnerable to crime and victimization.

TBM New Corporate Organizational Structure

from Staff Report

The Corporate Organizational Structure Review was completed in December of 2023 and, in consultation with Council, the Corporate Organizational Structure and Service Delivery Review Budget Sheet was included in the 2024 approved Budget.

The 2024 approved Budget includes the funding to implement the phased-in approach of a new Corporate Organizational Structure over twenty-four (24) months. The completion of this project included presenting a range of options for Council to consider and provide direction on. The approach Management has taken in this restructuring has been to have an initial focus on the Departmental and Divisional structure and its staffing composition.

As implementation is phased in over the next twenty-four (24) months, ongoing reviews of operational needs will be performed with any necessary modifications being considered in a strategic and long-term Corporate-wide approach through the annual budget process.

Staff had anticipated bringing this report to open session in February of 2024, however, the implementation of the Corporate Organizational Structure was delayed due to the departure of the Director of Operations in January of 2024.

Management felt that hiring a new Director of Operations was a priority to move forward prior to the initiation of the implementation process because of the level of impact and change the Operations and Planning and Development Services Departments are set to experience.

Additionally, the recent departure of the Town's Acting Director of Finance and IT Services, who was also the Town's Manager of Accounting and Budgets/Deputy Treasurer, has left two (2) vacant positions that are currently being recruited for.

The new structure will consist of six (6) Departments:

- Administration (CAO, Clerks, Human Resources, Fire Services)
- Community Services (By-law Enforcement, Parks and Trails, Recreational Facilities, Programming and Special Events)
- Corporate and Financial Services (Facilities and Fleet, Finance, IT, Purchasing and Risk Management)
- Operations (Engineering and Capital Projects, Roads and Drainage, Solid Waste, Water and Wastewater)
- Planning and Building Services (Planning Services, Building Services, potential of Attainable Housing and Growth Management)
- Strategic Initiatives (Sustainability, Communications and Customer Service, Economic Development, and Special Projects and Strategic Initiatives)

A commitment to the Town's 20 Bold Action Items contained within the Town's Future Story was a key guiding document in the completion of this work.

Elwood Moore's Legacy of Conservation and Environmental Education Continues with Bequest to Grey Sauble Conservation Foundation

The Grey Sauble Conservation Foundation (GSCF) is honoured to announce a meaningful bequest from the estate of the late Elwood Moore, a man whose vision and commitment have left a lasting mark on our community.

Elwood Moore was a founding member of the North Grey Region Conservation Authority in 1957. The Sauble Valley Authority was founded a short time later in 1958 and in 1985 the two organizations merged to create the Grey Sauble Conservation Authority. Mr. Moore served on the Board of Directors for 44 consecutive years, representing Derby Township.

When his term concluded with the municipal amalgamation of Derby, Sarawak, and Keppel Townships into the Township of Georgian Bluffs, Elwood had established an exceptional record of service. As such, he was recognized in the Legislature at Queen's Park which included a private audience with the Lieutenant Governor of Ontario, Hilary Weston. This record of service to a conservation authority remains unparalleled, a testament to his dedication to conservation and community service.

Elwood's unwavering support for Grey Sauble Conservation Authority extended well beyond his 100th birthday. His commitment was evident and if he was able, even at 101 years of age, he would have gladly attended the Annual General Meeting, one more time.

This spring, Elwood's son, Brian Moore, presented a cheque from his father's estate to the GSCF. This bequest will support the Foundation's Environmental Awareness and Education Fund, reflecting Elwood's passion for educating individuals of all ages about the importance of conserving the environmental features that enrich the communities of Grey and Bruce Counties.

The GSCF is profoundly grateful for this donation, which honours Elwood Moore's legacy and his lifelong dedication to environmental conservation. In the spirit of his remarkable contributions, the GSCF invites those who are also passionate about nature and conservation to consider including a bequest in their own estate planning. By doing so, you can support valuable environmental education and conservation efforts for future generations. Every contribution, regardless of size, positively impacts our local environment and beyond.

Front row (left to right): Brian Moore, Don Sankey (Chair, Grey Sauble Conservation Foundation).

Back row (left to right): Dick Hibma (Director, Grey Sauble Conservation Foundation), Tim Lanthier (CAO, Grey Sauble Conservation Authority).

Grey County Long-Term Care Homes Celebrating Seniors' Month

June is Seniors' Month and Grey County is celebrating the contributions and achievements of seniors with several events and activities at the three County-owned long-term care homes, Lee Manor, Rockwood Terrace and Grey Gables.

Lee Manor

Lee Manor in Owen Sound is celebrating Seniors' month by creating a collaborative art piece. Residents will stamp their fingerprint on the 'FamiLee Tree' which will be proudly displayed in the home. Lee Manor is also hosting an Alzheimer's Society Walk for Memories, a Grey Bruce Pride presentation, a dog show, a classic car show, a musical performance by the Owen Sound City Band and a Hi-Berry Farms Strawberry and Ice Cream Social.

Rockwood Terrace

Rockwood Terrace in Durham is celebrated with a resident barbeque lunch, a Father's Day Breakfast, a strawberry social, a dog show, a visit from the intergenerational 'Grandpals' program with the elementary school, and a Grey Bruce Pride presentation.

Grey Gables

Grey Gables kicked off the month by launching a mobile book program with the Markdale Library. Interested residents signed up for a new library card and can exchange books every three weeks. Library staff are also graciously assisting in setting up audio books and are providing book recommendations. In addition to the book program, Grey Gables is hosting a car show, a strawberry social, and a Grey Bruce Pride presentation.

In addition to the events and activities, Lee Manor, Rockwood Terrace and Grey Gables are each spotlighting several resident volunteers who help make each community feel like a home. Some ways resident volunteers help include participating on resident councils, leading activities such as painting or helping set up for games like bingo, assisting with gardening, helping in the tuck shops, a much more.

"Long-term care residents care about their communities and want to have opportunities to help their neighbours and contribute to the overall well-being of their home," said Grey County Director of Long-Term Care and Seniors Services, Jennifer Cornell. "We have several residents who are involved in ways that are meaningful and rewarding. We're grateful to each of them for being part of the Colour It team."

Ontario Connecting More Seniors to Dental Care and Affordable Prescription Drugs

TORONTO — The Ontario government is ensuring that the province's most vulnerable seniors can continue to connect to dental care and affordable prescription medications by increasing access to the Ontario Seniors Dental Care Program and the Seniors Co-Payment Program.

On August 1, 2024, the annual income eligibility thresholds for the Ontario Seniors Dental Care Program and the Seniors Co-Payment Program will be increased for single Ontarians aged 65 and over from \$22,200 to \$25,000, and from \$37,100 to \$41,500 for couples.

The Ontario Seniors Dental Care Program connects almost 150,000 low-income seniors to free, routine dental care each year. Eligible seniors are encouraged to apply by going online and downloading and printing the application form or by picking one up at their local public health unit. Seniors who are eligible under the new income thresholds can apply starting July 1, 2024.

The Seniors Co-Payment Program helps keep costs down for low-income seniors who need prescription medications by reducing co-pays to \$2 or less and removing annual deductibles. Eligible seniors who will be 65 on or after July 1, 2024, can apply starting today so they can benefit as soon as possible. Seniors can complete an application online or request a paper application form be mailed to them by calling the Seniors Co-Payment Program toll free at 1-888-405-0405 or 416-503-4586. Seniors currently enrolled in the Seniors Co-Payment Program do not need to re-apply.

This increase to the annual income eligibility will also help ensure seniors currently enrolled in these programs that have received additional, financial government support, will continue to be eligible and benefit from these health services.

"The health and well-being of Ontario's seniors is a priority for our government," said Raymond Cho, Minister for Seniors and Accessibility. "By expanding the eligibility threshold for these programs, we are helping to ensure that more seniors across the province can access the dental and health care they deserve to stay healthy, improve their quality of life and age with dignity."

Through Your Health: A Plan for Connected and Convenient Care, the Ontario government is making it easier and faster for people to connect to the care they need, closer to home.
