Spring Into Moreston is at Grey Roots Museum and Moreston Heritage Village on Saturday, May 27, from 12 p.m. to 4 p.m.

Grey Roots Museum & Archives is opening the gate to Moreston Heritage Village early for one day only on May 27th. It's a child-friendly, family event that also includes cuddly alpacas, model trains, and a food vendor.

This year's musical guest Mimi O'Bonsawin is a contemporary roots singer-songwriter from Northeastern Ontario with Franco-Ontarian and Abenaki roots. In 2019, Mimi's Connected was awarded Best Pop Album at the Indigenous Music Awards. Mimi will perform in the Village Bandstand at 12 p.m. and 2 p.m. with her partner Ryan Schurman on drums.

During the event, Canadian Raptor Conservancy will present a thrilling show featuring live Birds of Prey in flight. Showtimes are at 1 p.m. and 3 p.m. in the village's amphitheatre. For live animals with a softer feel, the Alpaca Paddock features furry visitors from the Kickin' Back Alpaca Ranch. Guests can also join Moreston heritage interpreters planting vegetable seeds or spring-cleaning 19th-century style, play some old-fashioned games, watch model trains in action, or make some simple handmade crafts. Plus, Anishinaabe Cultural Experiences will be on hand to offer authentic First Nations cultural perspectives and local maple syrup.

Spring Into Moreston is the public's only chance to visit Moreston Heritage Village before it opens daily from Canada Day to Labour Day. Special event admission rates apply. Advance registration not required; tickets available on site starting at 10 am on the event date. Find out more at greyroots.com/spring

Planting season is just around the corner.

People need to be aware of farm vehicles using TOBM roads. Farm vehicles are sometimes very long and very large and often require more distance to turn and stop. Operators may have poor visibility due to loads and equipment in tow. Please share the road and be extra careful approaching and passing.

Slow-moving vehicle signs are for slow moving vehicles only. It is illegal and dangerous to use them as driveway markers if they can be seen from the road.

Updates to Paid Parking at Municipal Parking Lots for 2023

The Town of The Blue Mountains would like to advise the public of updates to the paid parking program and fee structures for Municipal Parking Lots that were put into effect through the approval of the 2023 Town Budget.

PARKING PASSES

New for 2023, the Town is introducing Non-Resident Parking Passes. These passes are available to residents of the Municipality of Meaford, Grey Highlands, Clearview Township and the Town of Collingwood. The cost is \$100 +HST for each registered licence plate.

Parking for residents of the Town of The Blue Mountains remains free at all paid parking locations owned by the Town. Residents can either register their licence plate or display a printed resident pass in their rearview mirror. Town parking passes do not permit residents to park in privately owned paid parking lots. Printed resident passes are mailed to all taxpayers each spring. If you did not receive your parking pass, licence plate(s) can be registered by visiting Town Hall with photo identification, proof of residency and vehicle registration.

PARKING RATES

As part of the approval of the 2023 Town Budget, Council conducted a review of parking rates for all municipal parking lots. The fees collected through the paid parking program are used to support ongoing maintenance of public spaces within the Town. The parking rate changes are listed below:

Downtown Thornbury Parking Lots

\$2.00 for the first hour and \$1.00 for each additional hour
Includes the Arthur Street West Parking Lot

Rural Parking Lots

\$5.00 per hour (no daily maximum)
Includes Loree Forest and Heathcote Park

Waterfront Parking Lots

\$10.00 per hour (4 hour maximum)
Includes parking lots at Lora Bay Park, Little River Park, Thornbury Harbour, Bayview Park, Peasemars Park, Council Beach, Delphi Point Park and Northwinds Beach

Please note, Municipal Parking Passes do not permit parking in non-parking areas such as fire routes or accessible parking spaces. For more information, please visit the Parking and Public Transit web page or contact: Community Services Department

Work on the Victoria Street Water Tower continues to progress well. The new rooftop guardrail has been installed, and BGL's subcontractor, Dayson Industrial Services, has arrived on site to begin preparation for stripping of the existing internal and external tower coatings. Interior media blasting is anticipated to begin following the Victoria Day long weekend. Residents surrounding the tower will experience sustained increases in noise caused by this work. No weekend work is expected at this time.

Community Update**

Jill Umbach

povertytaskforce@unitedwaybg.com

Food inflation is rising at 9.7% right now. There has been a 43% increase of food bank visits in Ontario and 1 in 4 children are living in a food insecure home (Stats Can 2021).

Statistics Canada released the 2021 Canadian Income Survey results and updated the Dimensions of Poverty Hub with 2021 data.

www.statcan.gc.ca/en/topics-start/poverty

The United Way of Bruce Grey works with community food programs to collect local data on Food Bruce Grey.

- Usage is not going down after the pandemic but increasing. Local food banks have reported the fastest growing population attending food banks are people who are employed.
- Meaford Food Bank reported, in the first quarter of 2023, food bank usage has increased by 47% compared to the same quarter last year. The pounds of food distributed has increased by 56%, and the number of first time users of the food bank has increased 200%. We know that food banks are a last resort. A recent TVO debate spoke to our social safety net being outsourced to food banks.

We know that the Federal Funding for a National School Lunch Program was not in the 2023 budget. We know that schools are one conduit for food support to students and their families.

Across Canada, school food programs are speaking about their struggles to make ends meet right now. With the high price of food, it’s costing some programs as much as 25% more than previous years to keep running. And they’re seeing higher demand too – more children in need of a balanced meal.

We are concerned that this summer food banks and schools shall need to continue to support families. While support is provided for basic food needs, we need to advocate for “transformational change” that invests in income security such as a basic income.

INCOME SUPPORT

Basic Income: Bill S-233 has been sent to the Senate Standing Committee on National Finance. The next step is to encourage our elected representatives to follow the example of the Senate.

Follow the progress of Bill S-233 - the National Framework for a Guaranteed Livable Basic Income Act

Grocery Rebate: a one-time payment was announced by the Federal government under Bill C-46, the Cost of Living Act. The rebate will be issued automatically by CRA to households with an income of \$38,000 or less, and individuals who make \$32,000 or less.

There is no need to apply for the grocery rebate. It will be delivered along with the July GST Credit payment. To receive the payment it is required that recipients have filed their 2021 tax return.

The rebate will be up to \$467 for eligible couples with two children, \$234 for single Canadians without children, and \$225 for seniors.

Museum Renovations Nearing Complete

Blue Mountains Public Library Newsletter

It has been many months, but the historic Craigleith Station turned museum is nearly complete. In 2021 the Ontario Trillium Foundation awarded nearly a half million dollars from the Building Communities grant for capital enhancements to the Craigleith Heritage Depot.

This included a complete renovation of the shell of the 1880's building. The addition roof area, after blowing off in a summer storm in 2022 was replaced with a temporary fix and complete roofing was done in the Fall 2022 with a composite shake, intended to respect the original appearance of the roof. The original shakes on the turret were not touched.

In winter 2022-23 the rotten wood siding was removed from the building and was replaced with a two-tone composite wood. The two-tone green and cream has created much conversation in the community as this is a colour no one living has ever seen. As mentioned in reports and newsletters throughout 2022, the new look of our museum is the original colour pallet, harkening back to the original building when it was a Grand Trunk Railroad Station between 1880's to early 1920's. Though it was hard to confirm the colour from the 1800's black and white photos, our museum staff documented the original colour when the windows were removed for replacement and found the selected colours returned the building to its near perfect match more than 140 years after the Station opened. For those that remember the building being red; you are also correct. In the 1920's the Craigleith Station became part of the CN Railway, which is when the Grand Trunk colours were changed to the CN red. In 1968 the abandoned building was reopened as The Depot Fine

Dining Restaurant and again changed colour, becoming the maroon so many think of when reflecting on the buildings colours. Minor touch-ups are still to come when the weather improves with a cream architectural band scheduled to be painted on the turret and the lightning rods painting still yet to come.

The previously replaced windows and doors were also swapped out throughout the building, leaving the original turret entry with the last original door and the house entry (shown in photo) with the replica door. Finally, the interior of the building has also had a lovely facelift, moving it from the avocado, rust, and harvest gold interior; to a crisp clean look which will celebrate the exhibits.

Staff are now busy pulling the interior together and rebuilding our favourite exhibits and a number of new ones as well. We anticipate the museum being open for visits by the end of May and are now accepting visitors into the foyer where your library holds can be retrieved and washrooms are open.

While our staff are happy to discuss the process of the renovations to the museum, anyone looking for a more in-depth conversation should book a meeting with the CEO who is happy to further discuss the investments made into our community museum.

Holds Pickup Now Available at Museum

The Museum is open for holds pickup on Tuesdays, Wednesdays, Thursdays and Fridays from 12pm to 5pm, Saturdays 10am to 4pm and Sundays 12pm to 4pm.

Paramedic Services Week

May 21 to 27 is Paramedic Services Week across Canada. Each year, Paramedic Services Week is a time to reflect on the important role of paramedics in our communities, and to recognize specific developments and important issues in paramedicine.

The theme for Paramedic Services Week 2023 is "Diversity in paramedicine – the patient, the provider and the profession". You can follow along and learn more by visiting their website, www.oapc.ca

"Patients are the heart of paramedic services and the individuals we encounter and support each day have diverse backgrounds, beliefs and needs," said Grey County's director of paramedic services, Kevin McNab. "By building our understanding of various cultures, our care becomes more inclusive for our patients and our broader community." Paramedics provide an invaluable role in our communities, as first responders, community educators, and as community paramedics supporting our vulnerable populations.

Grey County Paramedic Services has a workforce of more than 150 full and part-time primary care and community paramedics. Grey County receives over 31,000 annual calls for service including 14,000 patient calls. In addition to emergency response, Grey County provides or supports several community paramedicine programs and initiatives such as Supportive Outreach Services, Community Paramedic Home Visitation, Remote Patient Monitoring, and Community Paramedicine for Long-Term Care.

Notice of Public Meeting - Options for the Review of Municipal Tree Preservation By-law 2010-68

May 30, 2023 at 9:30 a.m.

Hybrid Format In-Person AND Virtual/Online

Town Hall, Council Chambers 32 Mill Street, Thornbury, ON

What is being proposed?

The Council of The Town of The Blue Mountains is considering options to updating the current Municipal Tree Preservation By-law 2010-68. Planning Staff began the process of reviewing By-law 2010-68 in 2019 with the overall goal to prevent premature tree cutting/removal on larger privately owned properties in advance of a development application. Since that time, staff have conducted an extensive review process that included different methods of engagement.

The draft by-law presented to Council in September 2022 applied to properties that are 0.5ha or larger which are located within the Settlement Area boundary of the Town. In October 2022, the previous term of Council deferred a decision on the by-law due to the municipal election occurring in November 2022.

For more information, please see the “Municipal Tree By-law Update” project page on the Town of The Blue Mountains website: www.thebluemountains.ca/treebylaw.

The Blue Mountains Council will be holding a Public Meeting to receive comments on the proposed Amendments to the Administrative Monetary Penalties [By-Law 2021-71](#) to reference the inclusion of Administrative Monetary Penalties (AMPs) in the following designated by-laws: Cross Connection and Backflow Prevention By-law 2013-31; Sewer Use By-Law 2019-62; and, the Regulation of Water Supply By-law 2008-02.

Council considered the following staff reports at the May 8, 2023 Council Meeting, and provided direction to schedule Public Meetings on the proposed revisions to the Water, Wastewater and Cross-Connection and Backflow Prevention and Administrative Monetary Penalties By-laws:

- [CSOPS.23.021 Update to Regulation of Water Supply By-law 2008-02](#)
- [CSOPS.23.022 Update to the Sewer Use By-law 2019-62](#)
- [CSOPS.23.027 Update to Cross Connection and Backflow Prevention By-law 2013-31](#)
- [CSOPS.23.028 Amendment to the Administrative Monetary Penalties By-law 2021-71](#)

Under the authority of the Municipal Act, 2001 and in accordance with Ontario's Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), all information provided for, or at a Public Meeting, Public Consultation, or other Public Process are considered part of the public record, including resident deputations. This information may be posted on the Town's website. and/or made available to the public upon request.

This document can be made available in other accessible formats as soon as practicable and upon request.

When will a decision be made?

It is important to note that a decision on the By-Law amendments has NOT been made at this point and will NOT be made at this Public Meeting. After reviewing the comments from the public, Staff will bring its recommendations to a future Committee of the Whole Meeting.

How can I make my views known about this proposal?

Any person or agency may provide comments on this matter in writing or verbally at the Public Meeting.

Comments at the Public Meeting assist the Town and Council in their decision-making process, so be sure to have your say!

How do I submit my comments?

Written Comments – You are encouraged to provide your comments or questions in writing using email or regular letter mail to the Town Clerk. Written comments received by Friday May 26, 2023, will be read by the Town Clerk at the Public Meeting for the benefit of everyone in attendance and will be included in the record of the Public Meeting.

Comments can be faxed to 519-599-7723, or emailed townclerk@thebluemountains.ca.

Any submitted comments become part of the **public record**, including names and addresses.

Verbal Comments – This Public Meeting is a hybrid meeting, allowing the public to attend the meeting in person or virtually. Those that wish to make verbal comments virtually are required to pre-register with the Town Clerk, no later than five business days in advance of the Public Meeting, by Tuesday May 23, 2023.

Anyone wishing to provide their verbal comments in person at the Public Meeting, can attend the Town Hall, Council Chamber. Those providing their comments in person, are required to follow the Public Health Guidelines of the Town, as recommended by the Grey Bruce Health Unit.

Want to be notified of a decision?

You must make a request in writing to the Town Clerk if you would like to be notified of a decision on this proposal to:

ACC Presents: Bike Canada Event 4 Life! at the L.E. Shore Gallery

On Tuesday, June 6 at 7pm, join Melanie Johns, Tim Johns and Nicki Prevost for a transportive recounting of their cycling trip across Canada! These three local cyclists set out on their "Event for Life" - the goal? To cycle across Canada and prove that this feat can be accomplished by anyone! Meeting with friends, family and strangers along the way, they traveled from Mike Zero in Victoria through our expansive provinces all the way to the Atlantic Ocean. Travelling by bicycle gives a unique view of our beautiful country and they quickly collected stories to tell, adventures to recount and technical aspects of the trip to relay! This is a free event, but registration is required to reserve a seat: <https://bit.ly/3lexCWW> Franz 519-599-3681 ext. 142; E: TheGallery@TheBlueMountains.ca

Adults who Interact with Youth Mental Health First Aid

Friday, June 16 & June 23: 9am - 5pm

067547 Sideroad 33, Thornbury (Events for Life)

This course is designed to support adults who interact with youth, ages 14-25 years-old, although its learning outcomes are applicable to all ages. It covers the most common mental health disorders and youth-specific concerns: Substance-related disorders, mood-related disorders, anxiety and trauma-related disorders, psychotic disorders, feeding and eating disorders, and deliberate self-injury.

Key Outcomes:

- Awareness of signs and symptoms of the most common mental health problems.
- Confidence interacting with individuals experiencing a mental health problem or crisis.
- Knowledge of local mental health supports.
- Reduced stigma about mental health.

This 14-hour course is designed and accredited through the Mental Health Commission of Canada. Colleen McLean. 705-773-9049
