

## Grey County Celebrates Paramedic Services Week

Grey County paramedics were celebrated during an awards ceremony and luncheon in honour of Paramedic Services Week 2024. From May 19 – 25, paramedics and members of emergency medical services across Canada are being recognized for the vital role they play in our healthcare system.

On May 22, Grey County's paramedic services awards ceremony and luncheon brought award recipients and their families together with administrative and management staff to celebrate achievements. Ceremony hosts Kevin McNab, Grey County Director of Paramedic Services, and Joe Draper, Grey County Paramedic Services Duty Supervisor, presented a variety of awards and honours including Peer Awards, recognition for years of service and retirements, Inspirational Teammate Awards, the Medical Director Award of Excellence, and Patient Care Excellence Awards.

The ceremony concluded with a heartfelt and emotional thank you speech from Grey County resident and trauma injury survivor, Terry Denholm. Terry was involved in a workplace accident on December 2, 2019, and suffered catastrophic injuries. At the awards ceremony Denholm connected with the individuals who helped to save his life that day: Kellie Lawson, London Ambulance Dispatcher, Meghan Cloutre, Grey County Primary Care Paramedic, and Ihor Tereschenko, Critical Care Paramedic (Air Ambulance).

"I wish to thank everyone, for without your immediate actions that day the outstanding surgeons and doctors at Sunnybrook would have had nothing to work with. I have thanked all of Sunnybrook for their remarkable work, but you ladies and gentlemen here today are the ones I wish to thank the most," explained Denholm. "To those that were there that day I say thank you from the bottom of my heart. For the last 1633 days and I will thank you in my heart for every day I continue to live."

This year's national Paramedic Services Week theme "Help Us, Help You" highlights the many ways that paramedics support our community members. Paramedic Chiefs of Canada and the Ontario Association of Paramedic Chiefs are educating the public about the different ways paramedics help communities beyond emergency response, such as proactive community paramedicine. They are also

From left to right: Kellie Lawson, London Ambulance Dispatcher; Ihor Tereschenko, Critical Care Paramedic (Air Ambulance); Terry Denholm, Grey County resident and trauma injury survivor; Kevin McNab, Grey County Director of Paramedic Services; and Meghan Cloutre, Grey County Primary Care Paramedic.

emphasizing public campaigns around when it is appropriate to call 911.

"This year's theme highlights not only the exceptional emergency response efforts you provide but the ways paramedics support our community's health and well-being," said McNab. "From responding to 911 calls to supporting older adults through community paramedicine to assisting those facing mental health and addiction challenges, your dedication, expertise, and compassion are the foundation of our service."

Grey County provides emergency ambulance services to more than 100,000 full-time residents and thousands of visitors, responding to more than 15,000 calls for service annually. Grey County paramedics support several community paramedicine programs such as Supportive Outreach Services (SOS) and home visitations. More information about services can be found on the Grey County website at [www.grey.ca/paramedic-services](http://www.grey.ca/paramedic-services).

# Canada and Ontario Joint Statement on the National Housing Strategy

Sean Fraser, Canada's Minister of Housing, Infrastructure and Communities, and Paul Calandra, Ontario's Minister of Municipal Affairs and Housing, released a joint statement:

"Canada and Ontario recognize that our collaboration is imperative to solving the housing crisis.

That is why we are pleased to share that an agreement has been reached on a revised action plan from Ontario that will unlock \$357 million of federal funding under the National Housing Strategy (NHS).

Ontario has submitted a revised Action Plan under the bilateral agreement, which provides more robust data and insights as to which housing projects benefitted from provincial investment.

Ontario has also included new measures in its Action Plan which better reflect Ontario's funding delivery model, as the only jurisdiction which flows the funds through municipal service managers. These measures include: establishing provincial supply targets with service managers, directing funding toward new projects, setting annual goals, and implementing robust data collection and reporting mechanisms.

Additionally, Ontario will submit an Action Plan for 2025-2028 by December 31, 2024 to secure continued federal funding for the remainder of the 10-year National Housing Strategy agreement.

Solving the housing crisis requires a Team Canada approach. We will continue to work together, along with our municipal partners, to make sure the people of Ontario have the homes they need."

## Home Horizon Brings Both Little Artists & Local Professional Artists Together For Its 15th Annual Bowls For Beds Fundraiser

This Spring we welcome you to join Home Horizon and The Barbara Weider House for the annual Bowls for Beds fundraiser, with one-of-a-kind hand painted bowls by local professional artists. This year's event is 15 years in the making and stronger than ever bringing together art and education to raise awareness about youth homelessness in our community.

**On June 3rd we'll be kicking off an auction platform where we will auction off 32, one-of-a-kind bowls, hand-painted by local artists. Bids will start at \$100 and will close on Friday, June 7th at 4pm.**

We can't wait to show off the artistic talent of some of our amazing local artists who have each hand painted their own signature bowl.

Last year, Home Horizon raised approximately \$30,000 and we are hoping to get close to that same goal this year! We would like to thank our Lead sponsors MJ Byrne's Irish Pub, our Silvers Sponsors Baker Tilly, Blink Eyewear, AutoLiv, and our Bronze sponsors Linda ad Gary Chown, Thomas Vincent, Mary's Pharmacy and Parksign. Also, a very special thank you to Hello Pottery Co. and Sandra Saunders of CCI for all their work making, firing and supporting this amazing event!

## Theatre Collingwood presents the stars of Jersey Boys!

Jeff Madden and Adrian Marchuk have something in common. They both are gifted Canadian musical theatre performers but more than that they both have been blessed with the ability to sing those high notes Frankie Valli sang as a member of the Four Seasons. Both Jeff and Adrian were awarded the role of playing Frankie Valli in the hit musical Jersey Boys, time and time again! And THAT is what Theatre Collingwood's latest show, HOW WE GOT TO JERSEY – A Tale of Two Frankies is all about!

Playing at the John Saunders Centre in Collingwood June 11-14, this is a once-in-a-lifetime opportunity to hear not one, but TWO Frankie Vallis in a show-stopping concert revue that takes you behind the scenes of the Broadway smash hit, Jersey Boys. Find out how two small-town Canadian kids grew up to BOTH play a bona fide Rock-And-Roll, Hall-of-Fame, Superstar on stages around the world!

Audiences will hear their favourites from Jersey Boys, including SHERRY, WALK LIKE A MAN, BIG GIRLS DON'T CRY, CAN'T TAKE MY EYES OFF OF YOU, plus deep-cut hits from Frankie Valli and the Four Seasons. Jeff and Adrian will take you through the highs and lows, the fame and folly of playing one of the greatest legends of pop music who ever lived.

Jeff Madden is the Co-creator and performs in the show. Jeff is an Oakville-based singer, actor, educator, and an award-winning veteran of the Canadian Theatre industry. Most recently, Jeff appeared in Rock of Ages (More Entertainment), Til Then (Eclipse Theatre) and Any Dream Will Do (Goldenberg Productions). Prior to that, he appeared in the Canadian cast of Come From Away (Mirvish) for over two years. However, Jeff is perhaps best known for starring as 'Frankie Valli' in Jersey Boys (Dancap) for two years in Toronto winning the Dora Award for Outstanding Performance, and another year and a half touring across Australia.

Adrian Marchuk is also the co-creator and performs in the show. Adrian has been creating and performing theatre across North America for over 20 years. He spent three years performing as Frankie Valli in the Toronto and Las Vegas companies of Jersey Boys, as well as other hit shows including The Light in the Piazza, Joseph And the Amazing Coloured Dreamcoat, Next To Normal, Grease, Bat Boy, and two seasons at the Shaw Festival.

**The Meaford Hospital Volunteer Gardeners** popular plant sale has an ironic twist this year. All the profits will be used to plant concrete. This year all proceeds will be donated to making a brand new wheel chair accessible patio in a garden sanctuary. This special garden is tucked in behind the hospital overlooking the ravine. It is just outside the palliative unit and the patient rooms. To volunteer or for info email [meafordhospitalplantsale@gmail.com](mailto:meafordhospitalplantsale@gmail.com)
